

# duo

Product Name / Duo

Function / Chair

Description /

Duo is two part easy chair consisting of back rest and seat pad with two height backrest sizes available - High and Low

Uses /

The tapered profile of the chairs enables innovative grouping arrangements in inward or outward directions making them perfect for informal meeting areas in offices or foyer seating depending on arrangement

Materials /

Commercial grade fabrics such as Camira Blazer 100% Wool or Camira Vita Vinyl. Leather is also available. Chairs come with large acrylic glides to enable easy movement. Side tables are available to compliment the chairs all available in a wide selection of colour laminates - see web site

Finishes / Colours /

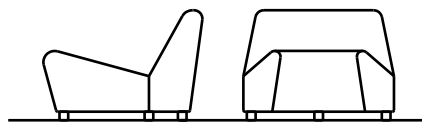

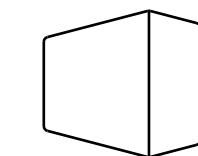

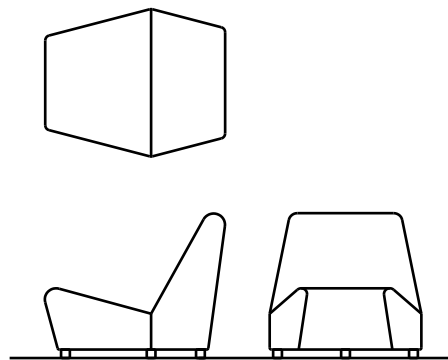

See colour chart on web site for information.

Rated for use in commercial interiors
